ASSURED SHORTHOLD TENANCY AGREEMENT

This agreement is made on 14 February 2026 between Marlowe Property Holdings Ltd, company number 09912345, whose registered office is at 3 Quayside Chambers, Bristol BS1 6XL (the Landlord), and Priya Nandakumar (the Tenant). The Landlord’s agent for the day-to-day management of the Property is Harbourline Lettings, 18 Corn Street, Bristol BS1 1HT, and notices may be sent to the agent on the Landlord’s behalf.

1. The Property. 1.1 The Landlord lets to the Tenant the residential flat known as Flat 4, 27 Kestrel Road, Bedminster, Bristol BS3 4QT, together with the fixtures, fittings and furniture listed in the Inventory. 1.2 The Tenant may use the shared entrance hall, stairs and bin store with the other occupiers of the building. 1.3 The Property does not include the loft space, the cellar or the garage at the rear of the building, which the Landlord keeps for its own use.

2. The Term. 2.1 The tenancy is for a fixed term of twelve months starting on 1 March 2026 and ending on 28 February 2027. 2.2 If the Tenant stays in the Property after the fixed term ends and no new agreement is signed, the tenancy continues as a periodic tenancy from month to month on the same terms. 2.3 The Tenant must live in the Property as their only or main home throughout the tenancy.

3. Definitions. 3.1 In this agreement, the Inventory means the schedule of condition and contents signed by both parties at the start of the tenancy. 3.2 Working days means Monday to Friday, excluding bank holidays in England. 3.3 Written notice includes notice sent by email to the addresses given in clause 15. 3.4 Where there is more than one Tenant, each of them is responsible for all of the Tenant’s obligations, both jointly and individually.

4. Occupiers. 4.1 Only the Tenant and the following permitted occupier may live at the Property: none. 4.2 The Tenant may have guests to stay for up to fourteen nights in any period of three months without asking the Landlord. Guests who stay longer need the Landlord’s written consent, which will not be refused unreasonably.

RENT, DEPOSIT AND PAYMENTS

5. Rent. 5.1 The rent is 1,150 pounds per calendar month, payable in advance on the first day of each month by standing order to the account the Landlord’s agent names in writing. 5.2 The first payment is due on or before the start date and covers the period from 1 March 2026 to 31 March 2026. 5.3 Rent is due whether or not the Landlord or its agent asks for it.

5.4 If any rent is unpaid for more than fourteen days after the date it was due, the Tenant must pay interest on the unpaid amount at three per cent a year above the Bank of England base rate, from the date it was due until the date it is paid. 5.5 The Landlord may not charge any other fee for a late payment, and will not charge for a returned standing order unless the Tenant cancelled it.

6. Deposit. 6.1 On signing this agreement the Tenant pays a deposit of 1,326 pounds, which is no more than five weeks’ rent. 6.2 The Landlord will protect the deposit with the Deposit Protection Service within 30 days of receiving it, and will give the Tenant the prescribed information about the scheme within the same period. 6.3 The deposit is security for the Tenant’s obligations under this agreement. It is not a payment of rent, and the Tenant may not use it to pay the last month’s rent.

6.4 At the end of the tenancy the Landlord may deduct from the deposit the reasonable cost of putting right any damage to the Property or its contents beyond fair wear and tear, any unpaid rent, and the cost of replacing lost keys. 6.5 The Landlord must tell the Tenant of any proposed deductions within ten days of the end of the tenancy and return the rest of the deposit within ten days of the parties agreeing the amount. 6.6 If the parties cannot agree, either of them may ask the scheme’s free dispute resolution service to decide.

6.7 Utilities and council tax. The Tenant pays for gas, electricity, water, broadband, the television licence and council tax for the Property from the start date until the tenancy ends, and must tell the suppliers and Bristol City Council when the tenancy starts and ends. The Landlord pays the building insurance and the service charge for the communal areas.

RENT REVIEW AND THE TENANT’S USE OF THE PROPERTY

7. Rent review. 7.1 The rent stated in clause 5.1 applies from the start date. 7.2 The Landlord may increase the rent once in any period of twelve months, and not before 1 March 2027. Any increase must be reasonable for similar properties in the area. 7.3 Any increase applies from the next rent payment date after the notice period ends. 7.4 The Landlord must give the Tenant not less than one month’s notice in writing of any rent increase, stating the new rent and the date it takes effect. 7.5 If a notice does not follow this clause, the Tenant may write to the Landlord asking for it to be withdrawn, and the rent stays the same until a valid notice is given.

8. Use of the Property. 8.1 The Tenant must use the Property as a private home only and must not run a business from it that brings customers or deliveries of stock to the building. Working from home in a way that does not affect the neighbours is allowed. 8.2 The Tenant must not do anything at the Property that is a nuisance or annoyance to the neighbours, including playing loud music between 11pm and 7am.

8.3 The Tenant must not smoke or vape inside the Property or in the communal areas, and must make sure their guests do not either. 8.4 The Tenant must not keep any animal at the Property without the Landlord’s written consent. The Landlord will not refuse consent unreasonably for a cat, a small dog or a caged animal, and may ask for the Tenant to have the carpets professionally cleaned when the tenancy ends as a condition of consent. 8.5 The Tenant must not sublet the Property or any part of it, take in lodgers, or list the Property on a short-term rental website.

8.6 The Tenant must keep the Property reasonably warm and well ventilated to prevent condensation, open the trickle vents in the windows, and use the extractor fans in the kitchen and bathroom. 8.7 The Tenant must not change the locks or have extra keys cut without the Landlord’s consent, and must give back all keys at the end of the tenancy. 8.8 The Tenant may hang pictures using small picture hooks, but must not paint or redecorate without written consent.

CARE OF THE PROPERTY AND REPAIRS

9. The Tenant’s responsibilities. 9.1 The Tenant must keep the inside of the Property clean and in the same condition as at the start of the tenancy, apart from fair wear and tear. 9.2 The Tenant must replace light bulbs, smoke alarm batteries and fuses, and must test the smoke and carbon monoxide alarms at least once a month. 9.3 The Tenant must not put anything down the sinks, toilets or drains that may block them, and must pay to clear a blockage they caused.

9.4 The Tenant must tell the Landlord’s agent about any damage, disrepair or need for repairs as soon as reasonably possible, and in any case within seven days of noticing it. This includes damp, mould, leaks and faults with the heating. The Tenant is responsible for any further damage caused by not reporting a problem in time. 9.5 The Tenant must keep the small rear garden tidy, cut the lawn regularly between April and October, and not let rubbish build up.

10. The Landlord’s responsibilities. 10.1 The Landlord must keep in repair the structure and exterior of the Property, including the roof, walls, windows, external doors, drains and gutters. 10.2 The Landlord must keep in repair and proper working order the installations for the supply of water, gas and electricity, for sanitation, and for space heating and heating water. 10.3 The Landlord must deal with an emergency repair, such as a total loss of heating or hot water, a serious leak, or an unsafe electrical fault, within 24 hours of being told about it.

10.4 Other repairs the Landlord is responsible for must be carried out within fourteen days of being reported, or as soon as reasonably possible if parts must be ordered. The Landlord’s agent will keep the Tenant informed of when the work will be done. 10.5 The Landlord must have the gas appliances and flues checked by a Gas Safe registered engineer every twelve months and give the Tenant a copy of the gas safety record within 28 days of each check. The electrical installation must be inspected at least every five years.

10.6 The Landlord is not responsible for repairs needed because the Tenant, their household or their guests failed to take proper care of the Property, and the Tenant must pay the reasonable cost of those repairs.

ACCESS, INSURANCE AND THE INVENTORY

11. Access. 11.1 The Landlord or their agent may enter the Property to inspect its condition or carry out repairs at reasonable times of day, after giving at least 24 hours' written notice. 11.2 In an emergency, such as a fire, flood or gas leak, the Landlord or their agent may enter without notice. 11.3 During the last two months of the tenancy the Landlord may show the Property to prospective tenants or buyers at reasonable times, after giving the same notice.

12. Insurance. 12.1 The Landlord insures the building and the Landlord's furniture and contents listed in the Inventory. 12.2 The Landlord's insurance does not cover the Tenant's own belongings, and the Tenant is advised to take out contents insurance. 12.3 The Tenant must not do anything that would make the Landlord's insurance invalid or increase the premium, and must tell the Landlord's agent at once about any event that might lead to a claim.

13. The Inventory. 13.1 The Inventory was prepared by an independent inventory clerk before the start date, with dated photographs of each room. 13.2 The Tenant has seven days from the start date to return the Inventory signed, with any comments about items that are missing or in a worse condition than recorded. If the Tenant does not return it within that time, the Inventory will be treated as accurate. 13.3 At the end of the tenancy the clerk will carry out a check-out inspection, which the Tenant may attend.

14. Parking and storage. 14.1 No parking space comes with the Property. The Tenant may apply to Bristol City Council for a residents' parking permit at their own cost. 14.2 Bicycles may be kept in the communal bike store, but not in the hallway or on the stairs. The Tenant must not store anything in the communal areas.

ENDING THE TENANCY

15. Notices. 15.1 Notices to the Landlord may be sent to Harbourline Lettings at the address on page 1 or by email to lettings@harbourline.example. Notices to the Tenant may be sent to the Property or by email to priya.n@mailbox.example. 15.2 A notice sent by email is treated as received on the next working day.

16. Ending the tenancy. 16.1 The Tenant may end the tenancy early by giving the Landlord at least two months' written notice, but the notice may not end the tenancy before 31 August 2026. This is the break clause. 16.2 The Tenant may end the tenancy at the end of the fixed term by giving at least one month's written notice, ending on the last day of the fixed term. 16.3 After the fixed term, the Tenant may end the periodic tenancy by giving at least one month's written notice, ending on the last day of a rental period.

16.4 The Landlord may only end the tenancy using a procedure allowed by law, and must give the Tenant the notice the law requires at the time. 16.5 When the tenancy ends, the Tenant must leave the Property clean, remove all their belongings and rubbish, and return all keys to the Landlord's agent by 12 noon on the last day. 16.6 Anything the Tenant leaves behind will be kept for fourteen days, after which the Landlord may dispose of it and charge the Tenant the reasonable cost.

17. Data protection. The Landlord and its agent will use the Tenant's personal information to manage the tenancy, protect the deposit and meet their legal obligations, and will share it only with the deposit scheme, utility suppliers, the council and contractors where needed.
